QUARTERLY COMPLIANCE AND ENFORCEMENT SUMMARY

July 1, 2008 to September 30, 2008

The 3rd Quarterly Compliance and Enforcement Summary for 2008 outlines 13 Orders, 14 Administrative Sanctions, 727 Tickets and 6 Court Convictions for a combined total of $155,982 in fines.

Earlier this year **Environment Minister Barry Penner** introduced the ***Environmental (Species and Public Protection) Amendment Act*** which amends the *Wildlife Act* and the *Environmental Management Act,* allowing provisions for:

Increasing (doubling, on average) maximum fines and penalties for all offences under the *Wildlife Act*; filling in regulatory gaps for managing alien species and helping to protect both the public and native wildlife; increasing Park Ranger's authority to monitor hunting and fishing activities; clarifying the scope of the government's authority concerning spill response and cost recovery; and to improve general regulation-making powers for results-based regulations and minister's codes of practice under the *Environmental Management Act*.

Williams Lake resident Don Kunka was convicted and fined a total of $11,000 in connection with the illegal shooting of a grizzly bear in Tweedsmuir Provincial Park in 2004. Kunka pleaded guilty to one count under the *Wildlife Act* and $9,000, with $8,000 of that to be paid to the Grizzly Bear Trust Fund. Kunka also pleaded guilty to one count under section 29 of the *Parks and Recreation Areas Regulation*, and was fined $2,000 for illegally discharging a firearm in a provincial park.
